Mr. David Berger
Pool Safe, Inc.

Aloha David,

It is my pleasure to provide you with this letter as a recommendation and testimonial for your product. My colleagues and I at Hilton Waikoloa Village couldn't be more pleased with the Pool Safe, and the revenue share partnership we jointly established with Pool Safe, Inc.

When you originally approached us about your product, we had not seen anything like it in the marketplace. On completion of our due diligence we recognized the incredible amount of value it could provide to our customers' experience. The quality and aesthetics of the Pool Safe are of high caliber, and blend extremely well with the Hilton brand. We were sold!

The team at Pool Safe is conscientious and clearly cares about their customers. The service you provided for installation and training was exceptional, and in short order the product was up and running. We successfully integrated 40 Pool Safes around our resort pools in mid-December. Since the launch of the product we have been achieving all our targeted goals. The performance of the Pool Safe has been on mark and the feedback from our clientele has been equally good. In fact, so good that we purchased 20 additional units for our VIP cabanas.

The Pool Safe team has put much time and energy into nurturing our relationship and maximizing its success. We look forward to working with Pool Safe, Inc. for many years to come.

Best regards,
